Marine General Liability

Comprehensive Primary Third Party liability coverage
for contractors and shoreside operations

UKP&I

Marine General Liability

Marine General Liability offers a comprehensive primary third party liability cover specifically designed to provide coverage to owners and operators of shore and dockside facilities.

Cover includes

- **Shiprepairer's Legal Liability**
Insures the legal liability obligations a shiprepairer has for damage to vessels while in the care, custody and control of the shiprepairer
- **Stevedore's Legal Liability**
Insures the legal liability obligations a stevedore has for damage to vessels and their cargo while in the care, custody and control of the stevedore for the purpose of loading and discharging a vessel
- **Terminal Operator's Legal Liability**
Insures the legal liability obligations a terminal operator has for damage to cargo while in the care, custody or control of the terminal operator for the purpose of storage
- **Wharfinger's Legal Liability**
Insures the legal liability obligations a wharfinger has for damage to vessels and their cargo while in the care, custody, or control of the wharf facility
- **Marina Operator's Legal Liability**
Insures the legal liability that a Marina Operator has relative to visitors and other third parties visiting the location as well as the vessels under the care, custody and control of the marina.

The coverage has been designed to dovetail seamlessly with the Shoreside Property programme.

Specifically crafted policies

Cover can be tailored for Ship Repair yards, Terminal Operators, Marine Contractors, Wharf Operators and Stevedore Operations, with the policy form having been specifically crafted in conjunction with the main Marine General Liability wording. In addition, cover can be provided for most marine contractors who may not have their own facilities but instead work as sub contractors within a third party's location or specific project.

Tailored cover

Each Product can be underwritten on policy forms specifically written, often with the applicant's broker, to meet the needs of the insured.

Claims

Insured's can call on Thomas Miller Specialty's global reach to support claims quickly and efficiently, anywhere in the world.
